Kalyk, Miss Kolinienko and subsequently became her paramour. At that time Miss Kalyk was a member of the Seattle branch of the "Komsomol" (Communist Youth League), an organization which was responsible for the holding of meetings of members of the Communist Party in Seattle together with the crews of Soviet ships. Platoff corresponded with Miss Kalyk for some considerable time and upon his invitation she came to Shanghai about one year ago, since which time she has cohabited with him. Following her arrival here certain local Russian communists objected to Platoff's conduct on the ground that Miss Kalyk was not to be trusted as she conveyed the impression that she did not entertain proletarian leanings and that she would "corrupt" Platoff. Platoff then pointed out that she was an ide list worker and had participated in Soviet activities in the U.S.A. Although Miss O.A.Kalyk has not come to our notice as having taken any active part in local communist work, it is known that she has on several occasions typed certain secret documents in English at the request of local Soviet agents.

On May 26, 1933, V.G.Platoff and Miss O. Kalyk were married at the local American Consulate-General. At present they occupy Flat 204, Dubail Apartments, 181 Avenue Dubail, telephone No.80731.

Recently Mrs. Platoff left Shanghai for Tsingtao on holiday.
